

MAKE YOUR OWN INFLAMMATORY PAMPHLET!

(insert your own title up there)

A fun-filled activity booklet from your pals at the P.O.E.E. (Class V division)

You have built for yourselves psychic suits of armor, and clad in them, your vision is restricted, your movements are clumsy and painful, your skin is bruised, and your spirit is broiled in the sun.

I am chaos. I am the substance from which your artists and scientists build rhythms. I am the spirit with which your children and clowns laugh in happy anarchy. I am chaos. I am alive, and I tell you that you are free.

- MALK-ALYPSE THE FOREVER YOUNGER

Disclaimment-Thing: As by the _____ (insert your dogma or catma own dogma) friends, enemies, associates, and persons claiming to be _____ (inset your own name and favorite titles) are forbidden from _____

(insert your own taboos)

THE ONLY PART WE GET TO WRITE!!!

Hey ho wind and the rain-o to all and all and I (and Jay if he ever gets back)! Given the smashing popularity of the last two publications we rocketed your way from *Panssandra Press* (P.O.E.E. Division V Mach 80!), we, the Maxi-Mome and Mega-Popepacious-Magistrate of bad taste and terrible costuming decisions; the agitator and agitatrix to all things Wright and Wrighteous; the chosen of the almighty Zenface the Hierophant to carry on his mission for transpatial enlightenment, fast \$\$\$ and the pursuit of _____

(insert your own made up ideal, we support it), have taken it upon ourselves to compile yet another fun-filled EDUFUCKINGCATIONAL and TOTALLY SUPER-A-POLITICAL PAMPHLET. ONLY THIS TIME:

YOU'RE THE STAR!!!

That's right my lads and ladies (and whatever you are, sweet Danny!), we invite you all to grasp the bullshit by the horns and write your very own noble, ignoble, hyper-noble, amoral, immoral, independent, enlightening, political, apolitical, educational, an-educational, thought-provoking, thought-revoking, loyalist, socialist, anarchist, communalist, federalist, discordant, religious, an-discordant, anti-an-discordant, fun, provocative, evocative, pornographic, trashy, obscene and/or superfly **PAMPHLET!** LET ME SAY THAT AGAIN, SWEET JAYSUUUS! A PAMPHLET OF YOUR VERY OWN!

The instructions are easy! Just grab a colorator, pengel, crayon or non-toxic magic marker (in a color aside from strawberry red) and occasionally follow our easy-to-read subscripted instructions such as that you fill in the blanks with appropriate wordage. Eventually you will have a little inflammatory piece of indie literature of you very own, perfect for hanging on your refrigerator, saving for scrap-books, distributing in IHOP lavatories or handing back to us in order to draw offense.

A golden star shall be awarded to the pamphlet deemed top-of-the-class by the Professor.

Go to and enjoy!

¹ If you are Danny, this is meant to be publicly flirtatious – not offensive. If we offend we offend ourselves and beg that we might offend. (It's also Cassandra what wrote this part ;) Pangloss is never unoffensive.) Please consult one of us for a phone # at which complaints and apologies might be registered.

What is _____ but a miserable pile of _____?

Above all else, each and everyone of us must _____ for the sake of _____ as a whole. This is absolutely key.

As _____ (famous pretentious person or imaginary friend) would say _____

(Make up a quotation.)

I say, however, that NOW is the time to _____ and that we must _____ lest we face _____. People who tell you anything else are obviously lackwits and fools and ought to be _____ because otherwise we will all be _____.

As for what will happen in the long term, it is evident that _____ and _____ are the only things that can preserve _____, and I, your ardent pamphleteer promise that I shall _____ my best in the meantime.

Detractors will no doubt tell you that _____ and _____. Obviously they are full of _____.

_____ (Put in a nonsensical anecdote or something. This is obviously filler.)
